

# AROMEA N° 1

## YOU CAN HAVE EVERYTHING!

The aroma tower Aromea No. 1 is an „old hand“ in the fragrance business and the hero of large rooms. The reliable scenting device aromatizes the air with even warm evaporation. A stepless fragrance intensity adjustment enables fragrance operation at the perception threshold. Simple and elegant in design the Aromea No. 1 fits in every room harmony. The proven system in conjunction with high quality fragrances from Aromea form the basis for a unique fragrance marketing instrument: innovative, different and definitely with a competitive advantage.
